

The Icenian Trophy 2025 Rules

Format

- 1.1 The Icenian Trophy is a team competition that takes place alongside the biennial Icenian orienteering competition.
- 1.2 The eight highest-scoring finishers from each club contribute to the overall team total.
- 1.3 The Icenian Trophy is awarded to the team with the highest score after courses close.

Eligibility

- 2.1 In order to score, a competitor must have completed at least the suggested course for their class.
 - 2.1a Suggested courses that competitors should run are indicated in the event details.
 - 2.1b For day 2, Competitors may run the M/W sprint course as appropriate, or their age class suggested urban course
- 2.2 For both days, competitors are permitted to 'run down'. This entails competing on a course lower down in the table than their suggested course (i.e. of lower technical difficulty and/or distance). 'Running up' is likewise permitted.
 - 2.2a Competitors running down cannot contribute to their club's total score in the Icenian Trophy.
 - 2.2b Conversely, competitors running up can contribute to the Icenian Trophy. These orienteers will earn a score relative to other competitors on the same course.
- 2.3 Competitive teams consist of members of a single BOF-affiliated club.
 - 2.3a Competitors belonging to two clubs may score for both. They must have selected the second club in the corresponding section on SiEntries before entries close.
- 2.4 In order to score, a competitor must have a valid finish (no mispunches or disqualifications).

Scoring

3.1 Scoring for competitors in M/W categories is calculated relative to the first-placed finisher in the corresponding M/W category on their course.

3.2 The formula used to calculate an individual's score will be:

$$\frac{\text{Reference time (s)}}{\text{Competitor's time (s)}} \times 100$$

3.3a The reference time is that of the first-placed M/W finisher completing the course.

3.3b Consequently, the highest possible score is 100 per individual, or 800 for a team.

3.3 The greater of an individual's day 1 or day 2 score will be added to their club total.

Misc

4.1 For the purposes of this document, the terms 'male' and female' refer to individuals in classes designated 'M' or 'W' only, as is sporting convention. This does not necessarily designate the gender that an individual identifies with.

4.2 The organisers intend to announce results on day 2 of the event, as soon as the necessary calculations are complete.
